NOTICE

Learners concerned of ONLINE SUBMISSION OF ASSIGNMENT for ONLINE BDP TERM END EXAMINATIONS DECEMBER 2020 & JUNE 2021 are hereby informed that:

1) The learners who have already submitted their fees earlier for assignment, but didn't submit the assignment paper/s previously at the Study Centres and the marks of Assignment paper/s have not been received by the department of Controller of Examinations Office (CoE) are also eligible for online submission of Assignment and accordingly the learners concerned will get the Assignment Slip.

2) If a learner has already submitted the assignment paper/s previously at the Study Centres and the Assignment marks of the said paper/s have already been received by the department of CoE, but the requisite fees have not been deposited earlier, the requisite fees for those assignments were collected from the learners during the period of submission of filled in examination form for Term End Examinations. It may be noted since the required marks have already been preserved at the department of CoE, hence the learners concerned will not be able to submit Online Assignment and consequently Assignment Slip will not be issued for the said learners.

3) If the portal shows "invalid student" then it may be due to any of the following reasons:-

a. The duly filled in Examination Form has not been submitted by the learner concerned.

b. Assignment marks of the learner concerned have already been preserved in the examination data base of the University. So it is not required for them to submit Online Assignment.

4) In case of multiple submission of any fees (related to the examination department) by the learners, the excess amount may be refunded after due verification of relevant documents by the examination department.

For any further queries, learners concerned are requested to consult the notification concerned (memo no.: COE/105/21 dated 14.09.2021) at the University website.
