

BOLPUR COLLEGE
STUDENTS' SATISFACTION SURVEY
(2023-2024)

The Students' Satisfaction Survey is the most important input for the improvement of internal academic quality of the institution. This process not only enlightens the college authority about the academic atmosphere of the institution but also provides students a sense of satisfaction as well as responsibility in development process of the college. A questionnaire was prepared for collecting students' opinion about teacher's quality and general infrastructural facilities of Bolpur College. Questionnaires were distributed among 279 final year Honors students who were regular in attending classes and performing satisfactorily in internal assessments. Unsigned filled up questionnaires were submitted to IQAC in sealed drop box.
